

St. Mary's School Senior House Sixth Form Scholarship Information 2012 Academic Scholarships

St. Mary's School invites all students considering entering the Sixth Form in September 2012 to apply for an all round academic Scholarship.

Scholarships are awarded to a girl in recognition of her all round academic potential and will be decided after completion of the entrance and scholarship examinations and a reference from the present school (this will be requested after completion of the scholarship examination in January).

Sixth Form Scholarships are awarded regardless of financial considerations and are open to any girl from any school who will be entering the Sixth Form at St. Mary's in September 2012. A bursary may be awarded in addition to a scholarship to any girl who would otherwise be unable to take up her scholarship place.

Entry to the Sixth Form at 16+ and award of a scholarship place is conditional upon a candidate achieving a minimum of 5 GCSE grades A* - C, including a minimum Grade B in the subjects proposed for study at AS and A2.

The date for the Sixth Form scholarship examination is Friday 27 January 2012, from 9.00am until 12.30pm. Candidates sit papers in two of the subjects which they plan to study for A level and may choose these subjects themselves. They will also need supporting statements from their current teacher / Headteacher that they have the necessary aptitude for academic study.

Internal applications do not require a supporting statement.

It must be stressed that scholarships are awarded for academic excellence and, therefore, if in any year there should be no candidates of sufficient ability, scholarships will not be awarded. Equally, if a number of candidates of exceptional ability are deemed worthy recipients, the scholarship may be divided between them. Scholarships are for half the fees for each year up to and including Year 6.

If you are interested in entering your daughter for this scholarship, please complete the form below, together with a registration form and registration fee of £50 and return them to the school office by Monday 23 January 2012.

All applications should be returned to Mrs Chris Pearcey, Admissions Department
