The St Mary's School - Nearly New Uniform Store Brings you

The Quick and Easy Way to Name Children's Clothing for Time Short Parents!

The start of every new term brings us the wonderful job of labelling school and various other uniforms. With our lives ever busier it can sometimes be hard to find the time for the more traditional methods of labelling their clothes, so with a pen handy on the first day back names can be written in only to be washed off by the following week, leaving a pile of lost property by the end of term, teachers busy trying to identify lost clothing and you replacing the ever elusive PE shorts about three times!

Used widely throughout schools, care homes and sports clubs, **Attach-a-Tag™** is a simple, cost effective method for labelling clothing, soft objects, pencil cases, football boots and toys. Replicating a button it attaches in seconds to the garment seam or laundry label, making it discreet and comfortable to the wearer. **Attach-a-Tag™**'s patented design is easy to attach but difficult to remove and cannot be taken off by accident or come off during the laundry process. Each tag has the **owner's name clearly** etched onto it, which is **guaranteed not to wear off in the wash**.

This combined with the **unique fixing method** of **Attach-a-Tag™** means the owner is identified every time, correctly! No guessing!

The **Attach-a-Tag™** buttons are reusable so provide a simple solution to all those labelling problems at an affordable price, as a one off you will need to purchase a dolphin applicator to attach the tags but this comes with an integrated removing system for re-use of the tags.

The school uniform store is not only offering you this amazing little button, we will also be fundraising for the school through this scheme, with **Attach-a-Tag** giving 10% of orders placed directly back to the 'Headmistress' Fund'. Orders can be placed either online at www.attachatag.com, if using this method, on the home page you will see a section in orange Schools Fundraising, once clicked on this there is an option to view schools registered, once you have clicked this, St Mary's School Gerrards Cross is listed, please click on our school and you can view all products and place your order this way or alternatively you can pick up an order form from the Nearly New Uniform Store or the School Office. Our promotional code is **SNV01** and our school postcode **SL9 8JQ** is our code for the incentive scheme and the company's way of tracing orders placed.

Should you wish to look at the little button before ordering, please find an example on the Notice Boards either outside Smith Building or the Nearly New Uniform Store.

Thank you for supporting our school through the Nearly New Uniform Sales, and we hope you support this scheme.
