

ST MARY'S, GERRARDS CROSS

Sport Report **Week commencing 5 March**

We have had an extremely successful week of sport at St Mary's, with success in a variety of different sports!

On Wednesday 7 March, St Mary's Year 9 and 10 Netball teams attended the Annual Borough Tournament. They both played very well in the group stages, with both teams going into the plate competition. The Year 10 team came 3rd overall, after being narrowly defeated by Chesham Grammar in the semi-final. The Year 9 team came second overall after losing to Misbourne in the final. A fantastic afternoon of netball and the girls should be proud of their achievements.

On Thursday, the Year 8s played in their first ever hockey match against Amersham School. They were brilliant and had an extremely close game with both schools creating plenty of chances. The final score was 3-1 to Amersham, but St Mary's played very well. Rachel scored the goal for St Mary's and also was awarded player of the match.

On Friday, the Year 6 and 8 teams attending the regional competition in the Independent School's Association netball tournament. The Year 6s were undefeated throughout the competition and got through to the final. They lost 6-5 in a very close and exciting game of netball to Knightsbridge. The Year 8s came second in their group competition. They won convincingly against The Mount School in the semi-final and lost to St James in the final. Both teams have now qualified for the National finals this weekend in York.

On Sunday, our team of five gymnasts consisting of Rebecca, Freya, Charlotte, Anna and Poppy, competed in the ISGA National competition. The day began with girls competing as a group of four with the synchronised group routine to music. They then went on to compete in the voluntary floor routine, set vault of handspring flat back, a voluntary vault finished off with the challenging set floor sequence.

After a long day of competition, the girls were announced 5th in the country on synchronised group routine and 6th team overall winning medals and a silver salver.

Congratulations to the team, please come and collect your award.

Well done to all girls who represented St Mary's this week in a great week of sport.
